

# APS APPLE VANGUARD SHOWCASE

## School on Wheels

8:45-9:15

 129 Hartline Ave SW

Ms. Robinson's Algebra students will demonstrate mastery of a skill by creating videos in Educreations. We will observe students submit videos using an iPad and those projects being immediately accessible on Ms. Robinson's device.

## Truman MS

9:40-10:10

 9400 Benavides Rd SW

As TMS students think about their future college plans, Ms. Milburn's students take it a step further and write a reflective essay on their college of choice. Students will create an iMovie where they share their findings with the world around them.

## West Mesa HS

10:30-11:00

 6701 Fortuna Rd

AP Spanish and Language Culture students will embark on a transformative way to improve reading comprehension. Mr. Aragon's students must understand the content and tone of an article and illustrate and narrate their thoughts in an iMovie. Students will be communicating with each other by presenting their articles in a perspective that others may not have considered.

## Washington MS

11:25-11:45

 1101 Park Ave SW

Mr. Mendez and Mr. Pettine motivate students through creative and innovative use of technology in their classrooms. Witness Mr. Pettine's students creating a book reflecting their journey through the year. Mr. Mendez's Special Education Inclusion with an ELL class will produce a written essay taking a non-traditional route.

## Longfellow ES

1:20-1:40

 400 Edith Blvd NE

Collaboration is a key element to 21st century skills. Ms. Thomas will connect her classroom to Mr. Lamb's classroom at EG Ross Elementary as they demonstrate how team teaching across the district has added rigor and engagement to their students' learning experiences.

## Manzano HS

2:00-2:20

 12200 Lomas Blvd NE

In Ms. Clark's computer lab, students will complete an immersive branding assignment as they market themselves through an illustration. Students will reflect on what makes them who they are and will utilize a variety of apps to capture their essence through a graphical representation.

## Bus Information

Dep- 8:00a ~ Ret- 3:00

# Route 2
